Mustangs Band & Duo

Yes the Mustangs are now here. The band comprises of myself Michael Asma on vocals and rhythm guitar, well known and respected lead guitarist and singer Ray Billiet, experienced drummer Jeff Lucas and our superb bass player who needs little introduction Bela Vasvari. Ray and I will also be performing as a Duo and will continue to deliver the same high quality entertainment as we have done previously but with a more extensive **variety** of styles. I will also continue to do my solo work as required.
