After a couple of years disrupted by Covid, we're now getting back to many of the venues and dance clubs that we have played in the past. If we haven't been to your venue before, give us a go – you won't be sorry. We get regular five-star reviews from every pub, club or corporate group we play for.

Please give Bob a call on 0407 173 690 if you want to discuss bookings or need more information.

THE ROCK n ROLL BOYS

The Rock 'n' Roll Boys is a SE Qld 4 piece that specialises in filling dance floors. Music ranges from 60s classics (Elvis, Beatles, Chuck etc.) through to a broad range of 70s, 80s and 90s show stoppers from the likes of Bruce Springsteen, Santana, ZZ Top, Eric Clapton, Robert Palmer and many more.

Dancers flock to shows from Brisbane to Mackay – around 50 club shows per year, plus most of the major retro-styled festivals around Queensland.

Bob Cole, Chas Whitling, John Mitchell and Lyall Barron provide all live vocals, keyboards and guitars. The boys have played literally thousands of shows between them and have a strong following around SE Qld, particularly among those who love to dance.

The quartet has enjoyed being a part of major festivals such as the Gympie Music Muster, Caloundra's Beachfest and Waterhole Rocks from 2017 until the present.
